CRICKET COURSE TESTING PROGRAM

Year 7 Enrolment - 2025

Applications accepted from Year 6 Students

The skills, academic and fitness testing for the specialist cricket schools will be held on Monday 25 March 2024 at John Forrest Secondary College. Please arrive at Admin Reception at 9.30am.

PROGRAM

9.45am	Meet Cricket Coach.
10.20am	Skills Test.
11.30am	Fitness Testing.
12.45pm	Questions and answers/ Parents to meet parent committee representative.

Session times may vary slightly depending on the number of students that apply.

Applications must be received prior to trials and are available online from the College website or from the College front office.

Students will require the following items:

- Water container with water.
- Running shorts and towel for fitness testing.
- Cricket whites and cricket gear (bat, pads, gloves etc that they would normally use – equipment will also be available for use).

Parents are welcome to stay at the ground throughout the day. It is essential that parents attend the closing session where aspects of student/parent commitment and requirements to be a part of the Cricket course will be outlined.

Please contact the College on 9473 4013 if you have any further queries about the testing day.

Applications for the above trial date must be received by Monday 18 March 2024 and can be emailed to JohnForrest.SC.SpecialistPrograms@education.wa.edu.au. Applications received after this date will be accepted, however placement in the program will depend on enrolment numbers.

Please contact the College on 9473 4013 if you have any further queries.

CRICKET MUSIC NETBALL TENNIS **SPECIALIST PROGRAMS**

STUDENT COMMITMENT INFORMATION

At John Forrest Secondary College, we are proud to offer students the opportunity to pursue their individual interests and strengths through participation in **one of our four** Specialist Programs. The Cricket Specialist Program is timetabled as Physical Education in Year 7 and 8 and as an additional elective in Year 9 and 10. Queries about the impact of this on student course selection may be discussed with the Deputy Principal.

CRICKET

Students enrolled in the Cricket Specialist Program have many exciting opportunities to develop strong cricket, teamwork and leadership skills. With those opportunities comes the responsibility to commit to the program and the team. Students and parents should consider the following:

- **It is expected that students enrolling in the course will participate until Year 10.**
- Occasionally students can be scheduled classes that start prior to the school day or extends beyond the school. For example, in Term 2 2023 Year 7 students may start school at 7.30am on Mondays to be bused to indoor facilities for specialised training.
- Students who miss classes due to participation in cricket matches are expected to independently follow up with their teachers to catch up on missed work. Students who have difficulty keeping up with school work may be unsuited to the program.
- Cricket is a full year program, with commitments in all four school terms. Full day matches are regularly scheduled in Terms 1 and 4. Occasional matches against PSA schools are scheduled for Friday afternoons and conclude at approximately 5.30pm.
- Cricket students have opportunities to be involved in community activities and are expected to be role models within John Forrest Secondary College and the wider community.
- Cricket is timetabled as Physical Education in Year 7 and 8. In Years 9 and 10 students participate in four lessons of Cricket, instead of Physical Education and one elective. Queries about the impact that may have on the availability of other electives can be discussed with the Deputy Principal.
- If a student from out of the College intake area chooses to leave the program it may result in cancellation of the College enrolment.

OR

- Students may be withdrawn from the Cricket Program if they do not meet the Performance Guidelines in the Forrester's Way and Contract. Students from outside the Local Intake Area may have their College enrolment cancelled in the event they withdraw or are withdrawn from a Specialist Program. The College reserves the right to terminate an out of Local Intake Area enrolment in accordance with Department of Education policy.
