

CAPS - Term 2 update

Hi everyone,

Well COVID 19 has certainly interrupted many aspects of our lives...

One close to us all is our children's schooling and of course Cricket. This includes CAPS meetings and fund raising.

At present:

- ALL Camps have been cancelled for the year – extremely disappointing for all the kids – but we are guided by the Government & Health Department restrictions
- **No** onsite face to face meetings are possible – hence no CAPS meeting this term.
- **No** group fundraising – ALL Bunnings Sausage Sizzles are currently cancelled.
- Our thoughts on a school oval 'Swap meet' / cakes stall / car wash fundraising event currently cannot be considered – nor can quiz nights.

This leaves us in a difficult spot. We would ideally like to have some sort of fund raising go ahead but this would have to be non-contact.

I am happy for suggestions and volunteers...

Some previous suggestions were: cookie sales, raffles i.e.; 100club, pre-arranged holiday raffle...

Thoughts...??

**** I would also like to do more communication via FB. If you can search CAPS 2020 BRISBANE (we will rename...) and request to join that would be fantastic – the more the better – easier communication.**
