FROM THE PRINCIPAL

As the 2013 school year comes to a close, I am delighted to reflect on a successful and significant year for John Forrest. My congratulations go to all those students who have achieved to a high standard and especially to those who have been winners of school, state and national awards. Congratulations also go to the students and staff who have worked together in the cultural and sporting areas to bring accolades and successes to the college, their teams, ensembles, casts and crews.

We should all be proud that John Forrest has been recognised as a high performing Independent Public School by the Independent Review Group. In the review the college was commended on its student achievement, positive learning environment, inclusive learning and pastoral care programs, community partnership and excellent educational programs. If you wish to read the whole document it can be located on our website. This review will support the college refining its next Business Plan which will be completed Term 2 next year.

Year 12 Presentation Evening

Our Year 12 Presentation Ceremony, a premier event for the college, was an extremely successful evening with many students acknowledged for their academic efforts, their citizenship and their contribution to the college. This year the ceremony was held at Observation City in the prestigious Golden Ballroom. The feedback received from our Year 12 students and their families confirms the success of this new venue. Congratulations and thanks go to Mrs Glendah Migro and her team of volunteer staff who put an enormous amount of work into the preparation and success of the entire event.

College events:

Term 4 has been very busy with an amazing amount of productive activity to showcase our community participation and the endeavours and talents of our students. These include:

- The Cricket and Netball Presentation Evenings.
- Dance Showcase.
- Year 12 Drama Night and Year 11 Drama Production.
- Music Concerts and Community Performances.
- Year 10 Transition Camp.
- Year 9 ECU and Curtin University visits.
- Bush Rangers Camp.
- Cricket Camps.

A Work in Progress—Year 8, 9, and 10 Art students from the 52 cultural groups that make up our community at John Forrest Secondary College, have worked together to create a collaborative art work inspired by the design and techniques used by contemporary indigenous artists. The artworks are a combination of collage and acrylic paint which are then assembled and arranged together into one artwork. We are hoping to hang the artwork in a suitable area such as the upper level stairwell in the administration block.

FAREWELL TO OUR 2013 YEAR 12 STUDENTS

The Year 12 Class of 2013 attended their final school assembly on the 22 October with the highlight being the Flash Mob performed by Year 12 Dance students (featuring Kit, Nic Justin and staff). Following the assembly staff congregated in the college Staff Room to farewell the departing students at a special morning tea.

Next came the Presentation Evening which was held on the 23 October. This year it was decided to hold the occasion at a more formal venue and students, special guests, family, friends and staff met at The Rendezvous Grand Hotel Perth Ballroom to celebrate the Year 12 Class of 2013 and their achievements. The change of venue was a great success enabling more family and friends to enjoy this memorable occasion.

Good luck to all our departing Year 12 students who leave our college with many positive experiences and memories that will help guide them in their future goals and dreams. Our best wishes go with them all.

Glendah Migro, Year 12 Coordinator

**UNIFORM SHOP (T: 9270 4658)**

The Uniform Shop will be open at the following times:

- **Normal Opening Times:** Every Tuesday 8.00-11.30am and Thursday 1.00-3.30pm.
- **Additional Opening Times:** Tuesday 28 January, Wednesday 29 January and Friday 30 January 2014—9.30am-2.00pm.

**FIRST WEEK OF SCHOOL:** Monday 3 February 2014—1.00pm-3.30pm, Tuesday 4 February 2014—8.00am-11.00am, Thursday 6 February 2014—1.00-3.30pm.
I have run out of onesie puns.” “Oh … I’m sure there’s ONE more!”

At the beginning of the semester Mrs Semeniuk asked our Year 10 Craft and Clothing class what we would like to do for our practical sewing assessment this semester. Many ideas were ‘thrown around the place’, of which most of us did not want to do, until the idea of a onesie was brought up. It was quite clear by the response that the onesie was the winner.

So, the next lesson we were required to pick our fabrics from some samples and be measured. This was very exciting and we all couldn’t wait to start. Once we did begin to create our onesies we realised that it wasn’t that easy after all. The whole process was tedious and most lessons ended in frustration because we had sewn something wrong, and had to unpick the whole thing!

There was a light at the end of the tunnel though. Slowly some of us began to progress and the fabric began to look like an actual onesie. This inspired the rest of us to keep going and complete what we had started. Once our onesies were completed the sense of achievement and knowing that you had made it yourself was a very good feeling.

We would like to thank Mrs Semeniuk for the effort she has put in. It is greatly appreciated. We would also like to thank Mrs Rimpas for being our relief teacher, which meant we were still able to sew when Mrs Semeniuk was away on LSL for five weeks. We all gained new skills and we look forward to new and challenging projects ahead!

Chloe Sauta, Year 10 Student.

DANCE NEWS

Congratulations to all the students involved in the annual Dance Showcase held at the Swan Park Theatre on Wednesday 16 October. Students from Year 8 to 12 showcased their talents in Jazz, Hip hop, Musical Theatre and Contemporary Dance and are to be commended for their dedication and commitment.

MATHEMATICS NEWS

Congratulations to Terence (Jun) Shen whose outstanding performance in the Australian Mathematics Competition earlier this year saw him invited to the Australian Mathematics Trust Awards Presentation at Christ Church Grammar School on the 11 November 2013 to receive a Prudence Award. Terence scored in the top 2% of students from Western Australia in this highly prestigious international competition which draws entries from about 40 countries.

Guest Speaker, Andrew Yang, an AMC Prize-winner from 2009 to 2012, spoke about how his interest and love for Mathematics had been sparked by entry into problem solving competitions such as these, where the notion that “Maths is more than numbers” really hit home. Adjunct Professor Mike Clapper’s address to the talented gathering touched on the Mathematics frequently alluded to in the popular TV show The Simpsons.

Congratulations, Terence, on an outstanding achievement!

Irene Nowotny, Mathematics Teacher.

WORK EXPERIENCE

The Year 10 Enrichment and Pathways students have had the opportunity to attend three lots of work experience this year. This has allowed them to trial a range of career paths through various work placements, enabling them to make more informed decisions about their choices for next year.

The students attended their third week from the 2-6 December. Placements ranged from the trades (plumbing, tiling, roof tiling) to retail (the Body Shop, A1 Audio) to specialist skills (boat building) and interest areas (the Aviation Museum). The experiences and opportunities have been broad, with students learning the skills and attributes specific to each job, the value of hard work, and, in the case of the tradies, to enjoy 6.00 in the morning!

Our students have done a wonderful job representing John Forrest Secondary College in the community, maintaining the high standards we expect of them. Throughout the year we have had a range of successes, with students obtaining part-time employment and apprenticeships as a result of their placements.

We acknowledge the valuable opportunity it is and appreciate the continued support of businesses in the community hosting our students.

Angela Trees, Curriculum Coordinator

STUDENT COUNCIL ELECTIONS

Towards the end of Term 3 elections for the 2014 Student Council were held. Congratulations go to Nefeli Perdikouli and Raureti Engelen on being elected as Head Girl and Head Boy for 2014.

Congratulations also go to Rachel Fallon, Diniera Hasna, Kimberley Millar and Benjamin Skett on being elected as Year 12 Student Councillors for 2014.
MUSIC NEWS

Music was bustling with activity this term, kicking off with the Senior Concert in Week 2. This was a farewell to a very strong group of Year 12s. The achievements in Music this year would not have been possible without the dedication and skill contributed by these students. This was evident in the standard of performances at the concert.

The Electric Guitar Ensemble performed at the Bayswater Primary School Fete. They were a popular item, particularly getting everyone’s attention with their rendition of “Sweet Child O’ Mine”. The Chamber Choir performed at the City of Bayswater Volunteer’s Lunch. A highlight of this event, apart from performing, is being served delicious food after the performance. The Swing Band persevered with very hot weather in their black uniforms, performing at the City of Bayswater Early Settler’s Civic Reception. As usual, they wowed the audience with a selection of jazz and contemporary pieces. The Junior Music Concert showcased performances from our younger students in Music. The overall standard was very high - watch out Seniors! The Year 12 Music students came back for this performance to assist as stagehands, and for some strange reason, dressed as animals. A pre-concert sausage sizzle run by Chaplain Phil Glossop was a big hit. Lastly, our Chamber Choir, as well as students Merissa Lekhoathy, Mahlia Ladouce and Jason Ji, put on a well-received concert at the Craig Care Nursing Home. It is a pleasure to be able to show off our musically talented students in the community and this term has been full of opportunities to do so.

Mayuka Juber, Specialist Music Teacher

YEAR 7 STUDENTS VISIT TECHNOLOGY & ENTERPRISE

Earlier this term the Year 7 teacher, Mike Wills, at Bayswater Primary School approached our Deputy Brad Walsh about the possibility of his students coming to the college for some sample lessons in Technology & Enterprise. After some negotiation it was decided that an hour on Monday afternoons from 1.30-2.30pm after the Year 12 cohort had left would suit both parties. Six of the Year 7 students had already been coming to John Forrest for music lessons throughout the year.

The students came along for six lessons in total. Ten boys went to Design & Technology to work with Mr Angell for three weeks while the fourteen girls went to Home Economics with Ms Duthie. After three lessons the boys swapped with the girls and the three lessons were repeated with the new group. With only three lessons, there was not the time for a lot of explanation about process or the time to teach skills before their involvement in the practical side of Technology & Enterprise, so it was straight into it. It was obvious some students came with a little prior knowledge and skills, while others picked them up quickly in the time they had with us.

While in Design & Technology, students were involved in the making and testing of a catapult. They seemed to enjoy this project and gained knowledge and some experience of working in a woodwork workshop. In Home Economics the students went straight into a practical food preparation lesson in the first week and for each of the following two weeks. They prepared orange granola, pumpkin and herb muffins and a simple fried rice. The Year 7 students quickly learnt that an hour is not long to collect ingredients and equipment, follow a recipe, prepare a recipe and clean up everything by the end of the lesson, including sinks, stove, floor etc, and leave the room as clean as it was at the beginning.

With Year 7 students arriving into government secondary schools in 2015, this was a valuable experience for both Mr Angell and myself. We hope the students also found this a valuable activity and enjoyed their time with us.

Jane Duthie, Head of Technology & Enterprise

SALVATION ARMY CHRISTMAS APPEAL

Once again the John Forrest Secondary College community gave generously to the Salvo’s Christmas Appeal. The Christmas items were collected by the Morley Salvation Army Church for donation to families in the area on Friday 13 December.

Year 8, 9 and 10 students organised the collection of items from their form class and the form class from each year group that collected the most items for the Appeal were treated to a special surprise; an ice cream van came to the College and gave each student in the winning class a free ice cream.

The Salvos and John Forrest Secondary College would like to thank all those involved for their ongoing support of this worthy cause and for helping make the event a success.

Phil Glossop, Chaplain

CYBER SAFETY

An online presence is unavoidable these days. Our students belong to a world where it seems to be an inevitable part of their daily lives. And whilst there often seems to be a them and us situation with regards to the cyber world, with “them” believing they know far more than “us” about the way it operates, we do feel there is much knowledge that can be imparted about security, protection and the law as it applies to online usage.

On 4 November Detective First Class Constable Jade Lay from Clarkson Detectives gave a presentation on cyber safety to our Year 8 students. It included discussion of cyber bullying, stalking and sexting, together with the personal and legal ramifications of all of these actions. Detective Lay highlighted the considerations people should make when establishing an online presence such as how much information should be included, what should be kept secret and security measures available on Facebook. He also presented the students with channels they can follow including talking to parents or teachers or contacting the police if they are experiencing cyber bullying.

It was an eye-opening presentation for our students with many vowing to go home and alter security settings and delete friends of friends from their Facebook accounts. Our goal is to enable the students to be as safe as possible when online. An open dialogue between children, parents and teachers is so important in helping this to happen. If you would like further information the following websites may be useful:

Angela Trees, Curriculum Coordinator
JAPANESE NEWS

Exchange Trip to Japan 2013
What a fantastic trip enjoyed by all. Highlights for the touring group were Tokyo Disneyland, Ghibli Museum and time spent with Koshigaya Nishi High School students. The Japanese families were lovely hosts, providing warm memories for all students involved. There were many tears at the farewell on the final day. Our next trip is planned for 2015.

Making Sushi
Year 9 and Year 10 Japanese students tried their own hand at rolling makizushi this term. There were two styles on the menu, Kappa (cucumber) and Sea Chicken (canned tuna). Was it good? Well, I don't think any of the groups would have made it to the second round of Master Chef, but all the sushi did get eaten.

Taka's Kitchen Excursion
Twenty Year 9 and 10 Japanese students got to try out some authentic Japanese dishes on 11 December at Taka’s Kitchen in the city. On a full stomach the free time spent in the Perth Cultural Precinct was enjoyed by all.

Mr Chadwick, Japanese Teacher

YEAR 9 ACTIVITIES

Some of the Year 9 students have had a busy few months being involved in programs run by Edith Cowan University and Curtin University. The ECU Mates Program was designed to establish a link between some of our students and the education students at the university. The uni students would visit the college fortnightly and meet with the Year 9 students as mentors, sometimes assisting with work and other times talking about school issues or study tips. The program culminated with fifteen students attending ECU for a day and attending some sessions run by ECU lecturers. The most interesting session involved the students creating a screen print of a fish using a dead fish and lots of paint. It was a smelly activity but it was much enjoyed by all. At the end of the sessions the students received certificates of participation in the program which were presented at the year assembly.

The Curtin Project also aimed to encourage the students to focus on their plans for the future. Around 100 students were involved in the initial sessions and a few more joined us for the finale which was held on campus at Curtin. It was a very enjoyable day and saw the students being split into groups and visiting different buildings on campus such as the business rooms, the architecture building and completing activities linked to these areas. They also had a general tour of the campus which in some ways was like a mini-city. A Subway lunch was provided and was much enjoyed by all. One of the John Forrest groups was lucky enough to win the quiz and collected some great prizes as recognition of their efforts.

Well done Year 9 students for embracing the opportunities that were available to you this year. Your attitude and behaviour on excursions is exemplary and it is a pleasure to take you out on these activities. I look forward to continuing to work with you next year.

Helen Watson, Year 9 Coordinator

Host Families Needed for Term 1 Visit
Share your lifestyle and home while experiencing another culture. Your family will benefit from the experience. John Forrest Secondary College will be hosting 15 Japanese students between 25 March and 5 April 2014 in a program organised by AIU. We are seeking families to host the students so that they may experience daily Australian family life. The daily program (Monday-Friday) organised by a Coordinator, Japanese language not necessary; normal Australian meals; compensation of $25 per night per student will be given to assist with hosting costs.

By hosting a student you not only benefit from the cultural experience but you also help to fulfil the dreams of an Australian student to study in Japan on a part Scholarship.

Australian Institute of International Understanding
Please call Cathy Rinehart on 0418 736 045/07 54 828 851 or email cathy@aiiu.com.au if you are interested in becoming a host family or would like more information.

For scholarships see our website: www.aiiu.com.au.
CRICKET ACADEMY NEWS

John Forrest Secondary College Awards Night
The Cricket Academy Awards night was held on 28 October. Each year the Cricket Academy Parents (CAPs) coordinate an evening to celebrate the departing Year 12s contribution to the Cricket Academy as well as the achievements of the Year 8, 9, 10 and 11 students for the year. Bruce Reid, the Cricket Academy Patron, attended the evening. He spoke to the students of his cricketing days and encouraged them to keep working hard on improving their game. Bruce was honoured to have the Outstanding Student Award in Year 12 named the Bruce Reid Award.

The Year 7 students newly selected into the Cricket Academy were invited to the evening and many attended and were presented with an Achievement Certificate to recognise their selection into the Academy.

We look forward to welcoming the Year 7s next year.

Year 8, 9 and 10 Students
The Year 8s and Year 9s have enjoyed applying their cricket skills on the Narrogin and Rockingham Camps. Games were held against Narrogin, Kent Street, Darling Range, Belridge and Rockingham.

To finish the year off the Year 8s, 9s and 10s have played games against Christ Church and Rockingham.

Peta Verco, Specialist Cricket Teacher

Year 8 student, Griffin Snell, played a well compiled 40 against Rockingham. Year 9 students, Darren Johnson and Kevin Carlson, both scored 54 not out, while Zac Lynn took a hat-trick playing for Rockingham.

TENNIS NEWS

Tennis Camp
The Year 8–11 Tennis students recently travelled to Busselton for the annual Tennis camp. The students had the opportunity to refine their tennis skills playing games at Australind, Margaret River, Busselton and Bunbury Tennis Clubs. Rhys Bertrand was the winning singles champion, narrowly defeating Sean Hill in a hard fought final. Students also enjoyed squash, beach games, Segway rides, Supa Golf and rock climbing.

Congratulations to all students who attended the camp on your sportsmanship and behaviour.

Tennis Championships
The Tennis Championships were postponed in Term 3 due to bad weather and were finally held this term. It was again a fantastic event with the competition being fierce all day. Alex Downey set a new record as the first boy to win the singles crown for three consecutive years. The finals were officiated by Tennis Australia Umpires and the students who were not participating helped out as ball kids.

The winners and runners up were: Kimberley Millar (Winner) and Madison Cooper (Runner Up) and Alex Downey (Winner), Daniel Downey (Runner Up).

Divisional winners included: Jason Poole, Finn Keady, Sateki A’Vard, Robert Best, Geralyn Cabriles, Jasmyn Hesford, Cathrine Sheridan-Brown.

Cardio Tennis
On the 14 November the Year 8 tennis students were given the opportunity to be involved in a pilot program for schools called Cardio Tennis in Secondary Schools (CTSS). It is an innovative exercise program which is linked to the physical education curriculum and provides an energised workout to music.

The program can be delivered on a Tennis court or any flat surface.

The students were put through their paces by instructor Christina Ladyman and had a great time. By the end of the session they had worked up quite a sweat!

A number of teachers (including Health & Physical Education staff from John Forrest) and tennis coaches from other schools and tennis clubs watched on to see how the program ran.

John Campbell, Head of Health & Physical Education

YEAR 8/9 SCHOOLGIRLS FOOTBALL LIGHTNING CARNIVAL

Congratulations to all the participants in the Year 8/9 Schoolgirls Lightning Carnival. What a successful day it was! Teamwork, strength, courage, determination and resilience … our girls showed it all!

Our Year 9 team won 3/5 games and our Year 8 team, of whom no one had played before, won 2/5 games and improved in confidence, stamina and resilience over the day. We had two injuries within the first game, which meant we had no subs for the rest of the day. Therefore our students played two and a half hours of football with their only rest being between games.

Standout players of the day: Year 9: Moesha Cooper and Kaitlyn Leatham; Year 8: Chloe White and Claire Thompson.

Well done to all involved, you were excellent ambassadors for our College.

Hayley McKee, Physical Education Teacher

Presented at the Bindoon Show Equestrian Event.

Elizabeth Cartledge, Year 10, is a talented and highly motivated athlete who has recently been awarded a City of Bayswater Sporting Scholarship. Elizabeth presented her winning scholarship application to an interview panel consisting of the Mayor of Bayswater, Councillor Terrance Kenyon, JP, and three Bayswater Councillors. She intends to use the scholarship funds to further her sporting interests, particularly her Equestrian pursuits. The scholarship will greatly assist Elizabeth’s funding and preparation for her entry in the 2014 SSWA Interschool Equestrian Championships where she will be representing John Forrest Secondary College with her horse Phoenix.

Elizabeth currently competes in one day events and was recently placed second overall at an event in Wallangarra involving dressage, show jumping and cross country. More recently she was also awarded Best Phoenix. A highlight of the evening was farewelling the Year 12 students (Tiah Berryman, Kaylah Heta, Mei Nguyen, Sophie Cole, Melinda Long, Bettina Tran, Candice Flavel, Jessica Newman, Demi Renfree, Chloé Hampton, Isabelle Macri, Rachael Osborne and Talita Engelbrecht). These students have been part of the John Forrest Specialist Netball Program since 2009. They were all very successful in their lower school tournaments and have excelled in the TAFE endorsed Certificate II Sport Coaching course throughout 2012/13.

The John Forrest Secondary College Netball teaching staff would like to acknowledge the valuable contribution of Elite Coach Roxanne Edwards throughout the year and her informative comments for our students during the evening.

We wish all graduating students every success in their future endeavours and hope that Netball continues to be part of their life.

Diane Papas and Hayley McKee, Specialist Netball Teachers

**John Forrest Secondary College Netball Student awarded City of Bayswater Sporting Scholarship**

Elizabeth Cartledge, Year 10, is a talented and highly motivated athlete who has recently been awarded a City of Bayswater Sporting Scholarship. **2013 Netball Presentation Evening**

On 28 of November the John Forrest Secondary College Specialist Netball Program celebrated their achievements for 2013. Netball students and parents came together to acknowledge their achievements and recognise the recipients of awards.

A highlight of the evening was farewelling the Year 12 students (Tiah Berryman, Kaylah Heta, Mei Nguyen, Sophie Cole, Melinda Long, Bettina Tran, Candice Flavel, Jessica Newman, Demi Renfree, Chloé Hampton, Isabelle Macri, Rachael Osborne and Talita Engelbrecht). These students have been part of the John Forrest Specialist Netball Program since 2009. They were all very successful in their lower school tournaments and have excelled in the TAFE endorsed Certificate II Sport Coaching course throughout 2012/13.

The John Forrest Secondary College Netball teaching staff would like to acknowledge the valuable contribution of Elite Coach Roxanne Edwards throughout the year and her informative comments for our students during the evening.

We wish all graduating students every success in their future endeavours and hope that Netball continues to be part of their life.
