**TRAVEL INSURANCE ADVICE**  
**Interstate and Overseas Excursions**

All students intending to participate in an interstate or overseas excursion need current travel insurance cover. Students who do not have current insurance cover are not able to participate in the excursion.

Schools are sometimes asked by parents to arrange travel insurance or to provide recommendations about where to obtain travel insurance. However, the Department and schools are not permitted to obtain or broker travel insurance for students or any other person.

Normally, travel insurance cover is limited to matters such as loss of baggage, cancellation or changes to student travel arrangements etc. The personal accident component of the travel insurance may include limited emergency expenses. You should read the terms of your travel insurance carefully, particularly noting what circumstances and events are not covered by your policy. It is your responsibility to ensure that you are satisfied with the terms of the travel insurance that you obtain for your child.
