

Dear Parent/Carer

**PARENT INFORMATION AND CONSENT FORM
FOR INTRA STATE SCHOOL EXCURSION**

Female STEM and Science students from across Years 8, 9 and 10 are invited to submit applications to participate in the WISE Women Showcase. WISE stands for Women in Science and Engineering. This excursion has been planned to supplement the activities your child has been doing in STEM and Science. The showcase is aimed at demystifying the career opportunities available to young women who study STEM. Students will learn how STEM provides girls with a platform of skills from which they can launch successful careers in research, education, business leadership and entrepreneurship. More details on the day are in the attached flyer. If you give consent for your child to attend the excursion outlined below, please complete the permission slip attached. Failure to return the *Parent/Guardian Consent Form* by the due date will result in your child missing the chance to be selected to participate in this excursion. The event is limited to a maximum of 32 students who will be selected on a first come basis.
